

# FINAL ANNOUNCEMENT

## Topics

- Jacob Hooisma 2013 lecture presented by Prof.dr. Peter Spencer
- *In vivo* and *in vitro* neurotoxicological approaches to study pathways of neurodegeneration
- Synaptic development and degeneration following early neurotoxicant or stress exposure
- Human stem-cell based test systems for developmental neurotoxicity testing
- Genetic modulation of neurotoxicity and neuroprotection: state-of-the-art developments surveying select neurotoxins
- Interaction of age, toxicity and disease in sensory decline
- Molecular and cellular approaches for developmental neurotoxicity testing
- Neurotoxicological consequences of exposure to urban air pollution
- Mechanisms for pesticide-induced developmental neurotoxicity: alternatives to acetylcholinesterase inhibition
- Application of cell based and non-mammalian models to chemical screening
- Metals: lead and neurodegeneration
- What is 'hot' in 2013?
- Student symposia for young talented scientists
- Interesting social programme and traditional soccer match

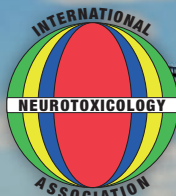

14<sup>th</sup> International Neurotoxicology Association meeting

# Neurodevelopmental Basis of Health and Disease

9 - 13 June 2013

Egmond aan Zee, the Netherlands

[www.INA14.org](http://www.INA14.org)

## Venue

**INA 14** will take place at Hotel Zuiderduin in Egmond aan Zee in the Netherlands. Egmond aan Zee is located on the central coast of the Netherlands, about 12 km northwest of Amsterdam. The 4-star Hotel Zuiderduin is situated in the middle of the dunes, directly on the sea. The hotel features various facilities such as a swimming pool, a sauna and a fitness room. For more information, please have a look at: [www.INA14.org](http://www.INA14.org)

## Scientific Committee

- Prof.dr. Jordi Llorens, *University of Barcelona, Spain (chair)*
- Dr. Kevin M. Crofton, *US Environmental Protection Agency, USA*
- Prof.dr. Donald A. Fox, *University of Houston, USA*
- Dr. Didima de Groot, *TNO, the Netherlands*
- Dr. Merle G. Paule, *US Food and Drug Administration, USA*
- Dr. Anna Price, *European Union Reference Laboratory for Alternative Methods to Animal Testing (EURL-ECVAM), Italy*
- Dr. Diane Rohlman, *Oregon Health & Science University, USA*
- Dr. Christoph van Thriel, *Leibniz Research Centre for Working Environment and Human Factors (IfADo), Germany*
- Dr. Erik de Vries, *University Medical Center Groningen, the Netherlands*
- Dr. Remco Westerink, *Utrecht University, the Netherlands*

## Registration

If you would like to attend, please register by completing the on-line form at [www.INA14.org](http://www.INA14.org)

### INA-member

- EUR 790 registered and paid before 1 April 2013
- EUR 940 registered and paid before 9 June 2013

### Non-INA-member

- EUR 940 registered and paid before 1 April 2013
- EUR 1090 registered and paid before 9 June 2013

### Student (bachelor/master/PhD)

- EUR 540 registered and paid before 1 April 2013
- EUR 690 registered and paid before 9 June 2013

[www.INA14.org](http://www.INA14.org)

## Call for abstracts

The Scientific Committee issues a call for abstracts, inviting the submission of abstracts to two categories: oral contributions and posters.

### Important deadlines for submitting abstracts:

- deadline for submission 1 April 2013
- deadline of notification of acceptance 20 April 2013

## Business opportunities

INA 14 offers various business opportunities, including:

- Sponsorship: Benefit from excellent name recognition by sponsoring the meeting.
- Exhibition: Gain valuable direct exposure by presenting your equipment, products and services at the commercial exhibition.

Companies and organisations interested in having an exhibition stand or sponsoring at INA 14 are invited to contact the Secretariat.
